MEMORANDUM FOR: James A. Cunningham, jr. 11 January 1956

Jim:

Attached is a list of individuals for whom I have requested and obtained SI Clearances - Category III. I don't know exactly who on this list will want to continue this clearance when in overseas status, but a special provision has to be made to retain SI clearance while overseas. I am sure there are others down there on the project who have SI clearance (I. E.  and are not on this list.

If you are able to get a complete list together, I would like to have a copy for our files up here.

Doris
